

## OXFORD HEALTHCARE IT SERVICES

Oxford Healthcare IT recruits experienced clinical consultants to ensure hospital systems and physician practices deliver their EMR projects on time, and on budget.

From planning and assessment through implementation, optimization, upgrades, and legacy support, Oxford consultants provide the expertise and independent advice clients need to guide their ambulatory, inpatient, ancillary, revenue cycle, and other EMR related IT projects.

We provide a comprehensive range of services and expertise for all major vendors' products, including but not limited to:
